

## NEXT GENERATION LITERACIES SUMMER SCHOOL

### *Language Diversity, Education and Social Participation: Asia-Pacific and European Perspectives*

**26-30 AUGUST 2024**

For all students interested in socio- and educational linguistics, multilingualism and second language acquisition: This summer school will familiarise you with current research on language policies, ideologies and practices in diverse regions and institutions of Europe and Asia-Pacific.

Join us to experience the following:

- A one-week online programme of lectures, discussions & activities
- State-of-the art research delivered by internationally renowned experts
- The opportunity to earn a certificate of participation or 3 credit points
- Social and intellectual enrichment with an international group of students and early-career researchers

#### *What last year's participants said:*

*It was great to have participants from all walks of life!  
It really helped our discussions to flourish.*

*The friendly atmosphere and intercultural  
communication gave me the  
power to do more about languages.*

*Better than any conference!*
